About the College

Kumbakonam, famously known as "Temple City" is one of the special grade Municipal Towns of Tamil Nadu, is the second bigger town in Thanjavur District. It is situated 10o 57" north latitude and 79o 28' Longitude. It is located about 313 Kilometres away from madras on the south, about 90Kms. from Trichy on the east and about 40kms from Thanjavur on the North East. The town is bounded by two rivers - " River Cauvery" on the north and "River Arasalar" on the south.

Vision

To Develop exceptional undergraduates and postgraduates in our major programs and in general education courses. Our commitment also includes preparation of our students

Mission

To help students develop a set of integrated theoretical and practical skills that can be applied to study.

To prepare students for careers in the public and private sectors or for advanced graduate study.
