

1.3.3. Relevant Information as a Part of Public Disclosure

RESEARCH PROJECTS

Research Projects have been incorporated into the course structure/ curriculum of all PG programmes to promote research skills among the students.

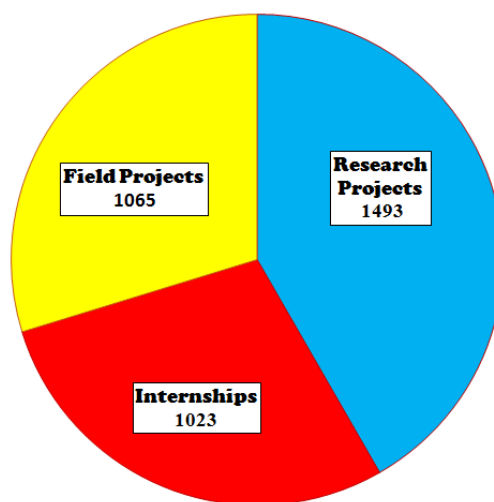

INTERNSHIPS

The internship has been incorporated into the PG curriculum to bring in industry-academic linkage from 2018 – 2019 onwards. This enhances the placement opportunity of the students. The Departments have entered into tie-ups and collaborations with other institutions and industries for this purpose. So far, 8 MoUs have been signed by the Departments of Tamil, History, Physics, Zoology, Commerce and Chemistry. From 2023 – 2024 onwards, internship and research projects are included in UG programmes also.

FIELD PROJECTS

Field Projects have been incorporated into the course structure / curriculum of the Departments of Zoology, History and Commerce bringing in field trips for giving practical exposure to the students.

TOTAL NUMBER OF STUDENTS INVOLVED IN RESEARCH PROJECTS / INTERNSHIPS / FIELD PROJECTS IN THE LAST FIVE YEARS
