1. NSS Team bagged the “Best Performing Unit Award in BARD in 2023”

There are 3 units in NSS with an enrolment 100 students in each unit during the period 2019-2022. They adopted the village called “Korkai” in the vicinity of the college and have been conducting camps with a duration of one week every year since 2019. Besides helping the students to understand the socio-economic background of the villagers, this scheme has enabled the students to interact with them to understand their life style and their daily suffering for their lively hood. This camp has also facilitated the students to create awareness among the villagers on health , hygiene and literacy etc. The highlight of the NSS team work is that even during the pandemic period, they conducted / celebrated several programmes / commemorative days or events. For instance, on June 21 which is being celebrated as the International Yoga day, they were able to impart yoga training through Google Meet reaching out to thousands of students. Blood donation (50 units donated), Swatch Bharat campaign, Fit India movement, Covid Vaccination camp, temple cleaning etc, are some of the activities taken up by the NSS team.

2. Silver Jubilee Association of Leo Club

Government College for Women (Autonomous), Kumbakonam has a long history of being associated with Leo Club for the last 25 years. In fact, Silver Jubilee celebrations were held in the premises on 28th February, 2023. This tie up with Leo Club has enabled the institution to upgrade basic infrastructural facilities like toilets in Botany block, a gallery which can accommodate around 50 students near Commerce Block and purified drinking water facility in the campus recently. Leo Club had been organizing eye camp since 1998 preferably on a Sunday, at Saraswathi Patasala for the benefit of BPL people. Students who have been enrolled in Leo Club of the college visit the venue and render yeomen service for the conduct of eye camp. This practice has been sustained for the last 25 years.

Dear Sirs,

We, the members of Lions Club of Kumbakonam Host introduce ourselves as a pioneer Club involving in public service activities since 1967.

In 1997 - 98, we inaugurated a College based Leo Club in the Govt. College for Women, Kumbakonam to motivate the students in various service activities. We are getting good support from the students as well as from the Management of the College.

In remembrance of the 25th Year Silver Jubilee Year of the Leo Club, we initiated the following permanent projects in the College campus based on your requirement.

2

1. A toilet & Urinal in the basement of Botany Block - sponsored by City Union Bank Limited, Kumbakonam
The Cost of the Project is Rs.1.73 Lacs
2. A Seating Park near the Temple - sponsored by GRT Thanga Maligai, Chennai
The Cost of the Project is Rs.1.64 Lacs
3. RO system already installed was serviced with new filter; the Submersible motor also was serviced. An overhead tank of 10000 Liters installed, Six numbers of Wash basins out of which two for drinking and the other Four for general purpose also fitted - sponsored by the Members of Lions Club of Kumbakonam Host.
4. 1000 Numbers of Cloth Bags to promote the eradication of Plastic Bags.

The Cost of the Projects are Rs.1.52 Lacs

Total Cost of the Projects is Rs.4.89 Lacs

We the members of both Lions and Leo Club thanks the Management for guiding and permitting us for the effective completion of the said projects

Yours in service

R. Venkatraman

HUMANITARIAN ASSISTANCE TO GAJA VICTIMS

3. Humanitarian Assistance to Gaja Victims

A super cyclonic storm named “Gaja” with a speed of around 110 Km in the Bay of Bengal hit the coastal areas in the districts of Nagapattinam, Thiruvarur and Thanjavur in 2018. Gaja wreaked havoc in the above districts and caused severe damage to the livelihood of poor people. The teaching faculty came forward to render humanitarian assistance to the victims of Gaja cyclone. Flood relief materials worth around 90,000 like Tarpaulin sheets/ temporary shelter, Biscuits, Bed sheets, Candle etc., were transported to the village called Palayakottai near Mannargudi and relief materials were distributed to the affected people.

CRITERION III – RESEARCH, INNOVATIONS AND EXTENSION

3.6 EXTENSION ACTIVITIES

3.6.1 Outcomes of Extension Activities in the Neighbourhood Community

**SEED BALL PREPARATION /
PLANTATION**

4. Seed Ball Preparation / Plantation

Super Cyclonic storm named “Gaja” had a devastating effect on the environment felling several trees and destroying the vegetation cover in the costal districts of Thanjavur, Thiruvarur and Nagapattinam districts. In an attempt to revive and increase the vegetation cover with particular reference to trees like Tamarind, Vagai, Neem, Poovarasam and Kumizh, “Seed ball fest 2019” was conducted in the college on 19/12/2019 and 17/02/2020. More than 800 students participated in the programme organized under the auspices of Women Cell. Er.Karthick , Founder and Director of Thanthondri which means “Growing itself” was invited as the Chief Guest to impress upon the students the significance of growing trees to preserve green environment. In this programme, seeds of various trees were mixed with mud soil. Over one lakh seed balls were prepared and then sprayed all around Kumbakonam. The north east monsoon which followed this event helped in the germination increasing the vegetation cover in and around Kumbakonam. This activity had a huge impact on the green environment of the town.
