## ABOUT THE THE DEPARTMENT OF PHYSICS,

Govt. College for women (Autonomous), Kumbakonam:

Department of Physics came into being in 1969 to offer undergraduate education in Physics. Initially, it was affiliated to the University of Madras. After the bifurcation of the University of Madras, it was then affiliated to Bharathidasan University, Tiruchirappalli in 1982. M.Sc. Program was started in 2002 and the Department of Physics was given special permission to conduct full time Ph.D. Program by virtue of sponsored research projects. The Centre for Nonlinear Science (CeNSc) which was annexed with the Department has built up a world class reputation with linkages with several leading Institutions/Universities in India & Abroad.

CeNSc has already completed 7 major Research projects funded by DST, UGC, CSIR, DAE-NBHM, etc... The infrastructural facilities available at CeNSc are as good as one comes across leading Research Institutes like The Institute of Mathematical Sciences (IMSc), Chennai, etc., The Department received Rs. 8 Lakhs for PG Assistance from University Grants Commission (UGC) in the XI plan. The Department was recently granted permission to conduct full time/ part time M.Phil. program. The primary focus of the Department is to offer quality education to underprivileged sections of the society.

Govt. Arts College (Autonomous), Kumbakonam:

Government Arts College (Autonomous) which is also known as Cambridge of South India was established in the year 1854. Under graduate program in Physics was started in the year 1945. PG course in Physics was introduced in the year 1984. Department was

elevated as a Research Department with the introduction of M. Phil and Ph.D in the year 2001. Department has been releasing a Science Magazine by name "SCIENCE EXPRESS" since 2015. All the staff members of the department are doctorates and are engaged in active research in thrust areas like Crystal growth, Vibrational Spectroscopy, Ultrasonics, Biomaterials etc... Our department had the privilege of Sir C.V Raman addressing the inaugural function of Physics association in March 1944. Focus of the department is to make students knowledgeable in Physics which will inspire them to achieve high goals in their life.
