7.1.5 Green campus initiatives:

Introduction:

The parking facility of two wheelers excluding bicycles within the college premises is restricted. Use of bicycles is allowed inside the campus but motor bikes are parked at the entrance. The green cover of the campus spans over most of the total area. The campus is known for housing some age old trees. Landscaping is done for all the plants of the college. Plastic free zone placards are kept in many places where students gather in large numbers. Hence, the usage of plastic is strictly prohibited in the campus.
