**ABOUT THE THE DEPARTMENT OF PHYSICS,**  
**Govt. College for Women (Autonomous), Kumbakonam.**

Department of Physics came into being in 1943 to offer undergraduate education in Physics. Initially, it was affiliated to the University of Madras. After the liberation of the University of Madras, it was then affiliated to Bharathidasan University, Tiruchirappalli in 1962. M.Sc. Degree was started in 2002 and the Department of Physics was given special permission to conduct full time Ph.D. Program by virtue of sponsored research projects. The Centre for Nonlinear Science (CNLS) which was started with the Department has built up a world class reputation with linkages with several leading institutions/Universities in India & Abroad.

CNLS has already completed 7 major research projects funded by DST, UGC, CSIR, IAS, INM, etc... The infrastructure facilities available at CNLS are in good as you can see across leading research Institute like The Institute of Mathematical Sciences (IMS), Chennai, etc. The Department received R. E. Lakshmi for PG Assistant from University Grants Commission (UGC) - the XI plan. The Department was recently granted permission to conduct full time/part time M.Phil. program. The primary focus of the Department is to offer quality education to underprivileged sections of the society.

**ABOUT THE THE DEPARTMENT OF PHYSICS,**  
**Govt. Arts College (Autonomous), Kumbakonam.**

Government Arts College (Autonomous) which is also known as Cambridge of South India was established in the year 1854. Under graduate program in Physics was started in the year 1945. PG course in Physics was introduced in the year 1984. Department was

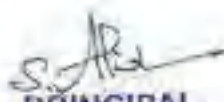

celebrated the 50th Anniversary (Department) with the introduction of M. Phil and Ph.D in the year 2002. Department has been awarded a status of quality assurance "ACREDITED" by the Council of Higher Education of the Department of Higher Education, Government of Tamil Nadu. Research in areas like Nonlinear Science, Quantum Spectroscopy, Laser, etc. are being done. The department had incorporated a Ph.D. course addressing the Unemployment Problem in the year March 1948. Focus of the department is to train students knowledgeable in Physics with an aim there to achieve high goals in their life.
