5. Student Support and Progression

5. 1 Contribution of IQAC in enhancing awareness about Student Support Services

Equal Opportunity Centre

To provide equal opportunities to all students of the college without discrimination based on caste, religion and other social inequalities.

Youth Development Scheme (YDS)

The Youth Development Scheme contributes to the well being of the students and conducts programmes to enhance their employability skills.

Noon-Meal Scheme

The college has a very good practice of providing free noon-meal for fifty poor students. The scheme runs by the contribution of all the teaching staff. Some of the teachers continue this service even after their retirement.

Canteen

A clean hygienic cafeteria is available for both students and faculty providing nutritious food for supporting the students studying in shift system

Bus Facilities

As the college is located in about 1½ km from the main bus stand, arrangements have been made by the College with the Transport Department to extend free bus service up to the college so as to enable the students reach the college safely on time.

Day Care Centre

A Day Care Centre has been established within the premises of the college to take care of the kids of the teaching non-teaching faculty and students of the College. The centre which is funded by the University Grants Commission is equipped with all necessary items like refrigerator, kids study table, toys, bed with mosquito net, induction stove and basic cooking utensils. A care taker is appointed and paid from the contributions obtained from the beneficiaries

Co-Operative Store

Two staff members have been given the additional responsibility of maintaining the co-operative stores. The basic requirements like stationeries, Sanitary napkins and books are kept for sales in the college premises for the welfare of the students.

Gym

A fully equipped Gym is available inside the college campus to build students physical and mental health

Hostel

A good accommodation facility for 250 students with full time residential tutors is available within the college premises with nominal charges.

Others

- ❖ Information is disseminated every week during college assembly
- ❖ Printed information available in college calendar/College Website
- ❖ Information also passed to students regularly through HOD's and Tutors

5.2 Efforts made by the institution for tracking the progression

- ❖ Monitoring the books usage and attendance in the library by frequent scrutiny of the library visiting and issue register.
- ❖ In most of the departments, the Tutor-Ward system is adopted to have a close watch on the progression of the individual student who has enrolled for their empowerment. Weak students are identified in the class with the help of their respective ward tutors. The tutors of every class maintain the students bio-data book, which will be monitored periodically in the faculty meeting conducted in the department twice a semester
- ❖ Suggestions and the consolidated feedback from various stake holders are the index to understand of the progression of the students. This will be taken to the appropriate official forum and proper policy decisions and amendments are made in the system to provide better prospects to the student community.
- ❖ The student Counsellor helps the imbalanced mind and soul of the needy students to show the correct direction.

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- ❖ An UGC network resource centre with the local area network is established with 8 computers in the General Library. The network resource centre provides an easy access to internet to both the students and faculty within the College premises.
- ❖ A new laboratory was constructed for department of physics.
- ❖ A new building with 15 class rooms was constructed.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- ❖ To start M.Sc. (Zoology) and M.A. (Tamil)
- ❖ To make the qualified staff members obtain research advisorship in the university
- ❖ To conduct inter-disciplinary programme
- ❖ To construct additional class rooms
- ❖ To impart leadership qualities to students.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

Best Practice – I

1. Title

Entrepreneurship Development Cell

2. Goal

- ❖ To develop self employment skills.
- ❖ To provide opportunities to rural students.
- ❖ To facilitate sustainable economic development.
- ❖ To reduce the unemployment problem which is a national crisis.

3. The Context

Most of our students belong to socio-economic backward class and first generation learners. Hence as an effort to fulfill the Vision of the college in uplifting the poor and the needy students, the **Entrepreneurship Development Cell** was started to uplift the educated young rural women.

4. The Practice

Students from all the departments are enrolled every year. Priorities are given to the students who belong to below poverty line and SC/ST communities. They are given training in job oriented courses like Jute bag making, Jewellery making, Tailoring, Embroidery etc. They are provided with certificates that make them eligible to apply for bank loans with subsidy.

5. Evidence of Success

Many of our students are successful entrepreneurs now. They are supporting their family and have uplifted their standard of living.

Review

Kumbakonam is an agriculture based region. People still have age old tradition with fewer opportunities for women. Students are coming from family with poor literacy background. Imparting entrepreneurship skill provides them with self confidence and opportunities for self employment

6. Problems Encountered and Resources Required

i. Problems Encountered

- a. No specific fund allotment
- b. Not included in the curriculum.
- c. No regular trainers inside the college

ii. Resources Required

Both financial supports and trainers are required.

7. Scope

As the college is situated in the rural region, much of the students are lacking in communication and language skills. This makes them difficult to get employed in corporate companies. And also the number of students eligible to pass in competitive examination is also less. Hence for those students, entrepreneurship skill development with alone support them in future.

Best Practice –II

1. Title

Day Care Center

2. Goal

To provide facility for students and faculty with small kids to concentrate on work without any worries.

3. The Context

Being exclusive women's college with 3500 – 4000 girl students and 150 women faculty, there are considerable number of candidates who are with kids. To make them work / attend classes without disturbance and interruption, the day care is very essential.

4. The Practice

The day care centre was established in 2008-09 funded by UGC merged scheme. One of the faculty members is incharge of the centre. The faculty/student has to pay Rs.500 per month for taking care of their children in the day care. Out of the funds collected, a care taker has been appointed and she will be paid from net source. The centre has toys, cradle, mats, store, fridge, mixie and other basic requirements to feed and engage the children.

5. Evidence of Success

- ❖ The students are not discontinuing their studies for the sake of taking care of their children.
- ❖ The faculty stay back for extra time to complete a task assigned to them.

6. Problems Encountered and Resources Required

i. Problems Encountered

- a. No specific fund allotment for paying the labours.
- b. Lack of Separate building.

ii. Resources Required

A full furnished and equipped spacious room with man power is required.

7. Outcome

Day care is a rare facility in many colleges. It is functioning among many challenging issues. This facility solve many family problems among students and staff.

7.4 Contribution to environmental awareness / protection

- ❖ Integrated environmental Education in the curriculum
- ❖ The awareness on environment protection is created among students by making them clean the campus frequently, conducting competitions in relevant topics and conducting meetings through Environment Education.
- ❖ Awareness was created on usage of organic fertilizer and training was given for the same.

7.5 Whether environmental audit was conducted? Yes ☐ No ☒

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strength	Weakness	Opportunities	Threats
Highly qualified, Dedicated and Committed faculty	Since the strength of the permanent faculty is just 1/3 rd of the sanctioned strength, our faculty are shouldering many responsibilities in addition to their regular work load.	Being a Government College lot of opportunities are given to both faculty and students in Tamil Nadu State Council for Higher Education and Tamil Nadu State Council for Science and Technology	To qualify more students in Competitive Examinations/ SLET/NET/CSIR

Large number of extension and awareness programmes	Lack of sufficient physical infrastructure	Fee Concession are given in many Government Agencies.	To develop Communication skills in students
Separate Entrepreneurial Development Cell for developing Entrepreneurial skills in students	Lack of Physical director	Self Employment Opportunities through Job Oriented Courses	To encourage faculty to qualify themselves for awards and honors.
Equipped and furnished day care centre in the college premises.	Our students as they are coming from rural background, in spite of their strong subject knowledge they are weak in very good communication skills which is a constraints for good placement record of the institution.		
Linkages with National and International institutes			

8. Plans of institution for next year

- ❖ To offer research programmes in all Departments
- ❖ To start M.Sc. (Zoology) and M.A. (Tamil)
- ❖ To encourage non Ph.D faculty members to register for Ph.D
- ❖ To implement location specific curricula
- ❖ To conduct more Seminar/Workshop/Conference.
- ❖ To start M.Sc. (Zoology) & M.A. (Tamil)
- ❖ To upgrade all the Departments into research Departments.
- ❖ To create awareness on environment, pesticide usage and chemical pollution by conducting workshops/seminars.
- ❖ To enhance the resources of library.
- ❖ To conduct several programmes to create awareness on health / hygiene and offer health services.
