In Semester-I General chemistry-I, the topics Stability of carbonium ions, Carbanions and free radical are removed from Unit-V.

In Semester-II General chemistry-II, the topics Anomalous behavior of Be, General properties of Elements of Group-16, structure of allotropy are removed from Unit-III.

In Semester-III General chemistry-III, The following topics are removed, The Maxwell-Boltzmann distribution from Unit-I, Polymorphism from Unit-II, Rutherford mirror nuclei are removed from Unit-III,

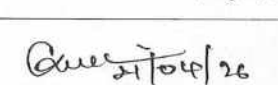

In Semester-IV General chemistry-IV Unit -II Is splitted into two units.

In Semester-V, Physical Chemistry-I, Variation of Chemical potential with temperature and pressure topic is removed. Physical aspects of spectra is suggested to include as a Unit. In Pharmaceutical Chemistry structure and Pharmacological activity and development of drugs are removed.

In Semester-VI Organic chemistry -II, Some organic reagents are removed in Unit-IV. In Physical chemistry -II Super cooling, two components are removed from Unit-I and determination of activity co-efficient of electrolytes are removed from Unit-V.

In Generic Elective Course, Chemistry of Physical Sciences –I, the topics free energy change and its importance ,conditions for spontaneity are removed from Unit-IV and Qualitative and quantitative analysis are removed. In Chemistry of Biological Sciences –I , Analytical Chemistry is introduced as Unit-V instead of photochemistry.

The above resolutions are approved.

In Semester-I Organic Reaction Mechanism-I, the Topicity, Prostereoisomerism, chiral shift reagents and chiral solvating reagents are removed from Unit-IV. Optical rotation, ORD, Octant rule, Cotton Effect, axial haloketone rule and determination of configuration topics are removed from Unit-5.

In Electro chemistry, Stern models of Electrical double layer is removed from Unit-2, the Batteries and Fuel cells as constructed as Unit-IV and Concentration and polarization as Unit-V.

In Semester-II, Organic Reaction mechanism -II, following topics are removed, Unit-I Polymerisation, Unit-II McFadyen -steen's reduction, Unit-III Hofmann, Curtius, Schmidt, Lossen Rearrangement, Unit-V Sodium Cyano Borohydride.

In Physical Chemistry-I, Determination of Vapour pressure removed from Unit-I, Dulong-petit's law added to Unit-II. Electrokinetic system and applications are removed from Unit-III, Christian Hypphothesis is removed from unit-IV.

In Semester-III, The title Pericyclic reactions and Photochemistry is suggested, instead of Organic synthesis and Photochemistry. In Physical chemistry-II, SWE Is removed, C_{2h}, D_{3h} point groups are removed from

Unit-IV. In Industrial Chemistry Water quality assessment and Treatment as introduced as Unit-II.

In Semester-IV Determination of BOD,COD and Iron are introduced.

The above resolutions are approved.

The Chairman welcomed the gathering and appraised the purpose of the meeting.

Agenda :

Review and Approval of the curriculum for the academic year 2026-2027.

1. The existing syllabus of 2025-2026 has been revised. The UG Syllabus was submitted to the BoS members. The Courses and contents of each unit were discussed. After thorough considerations, the experts suggested to change certain portion in the syllabus. The changes are as follows,

1. In Semester I, the courses titled **Short Stories, Poetry** were introduced replacing core courses Introduction to Literature and Indian Writing in English.
2. The subject experts suggested including options for the Elective courses. And so courses like **Communication English** for GEC I, **History of English Language I and II** for GEC II and III respectively, **Diasporic Literature** for GEC IV are introduced.
3. For FC- Basics of English Language, the experts recommended to add topics like *Homonyms, Homophones, Synonyms, Antonyms, words often confusing or misspelt, prefix-suffix* and were suggested to restructure the contents.
4. In Semester II, the courses titled **Prose and One-Act Plays** are introduced as core courses. Also the course **SEC-English for Communication** is replaced with the course titled **Spoken English for You**.
5. It is proposed by the subject experts to restructure and divide the courses titled **Indian Writing in English I and II** based on writers from specific periods, to add *Coolie* by Mulk Raj Anand in Unit IV, and to remove *Muktadhara* from Unit V
6. It was proposed by the experts to arrange writers chronologically from the 1400 to 1750 in **British Literature I** and to remove subtitles in each unit and *Frankenstein* in Unit V. It was proposed by the experts to arrange writers chronologically from the 1750 to 1980 in **British Literature II**, to remove *Sonnet 19* from Unit I, Look Back in Anger in Unit III, *Return of the Native* in Unit IV, *Adventures of Sherlock Holmes* in Unit V and add writers like Shelley and Coleridge in Unit I, three short stories in Unit IV and V.
7. In Semester IV, **American Literature I**, subject experts insisted on arranging writers based on literary periods and it was suggested to have six poems in Unit I and II, to remove *Emperor Jones*, in Unit V add *Scarlet Letter* and four short stories.
8. In Semester IV, the course GEC IV, the title **Literary Genres and Terms** is changed to **Literary Forms** and Unit IV subtitle should be changed to prose. **Also in SEC- Communicative English** is replaced with **Written English for You**.
9. In **American Literature II**, subject expert insisted on arranging writers based on literary periods from 1960s to 2025. It is suggested to remove *Scarlet Letter* and *Fire Keeper's Daughter* from Unit IV AND V. A separate unit should be allocated for short stories
10. In Semester IV, **IDSEC-English for Careers**, it was recommended to restructure the contents, and to add practical components. The same suggestion like including practical components is mentioned for **Writing for Media** and **Interview Skills**.
11. In Semester V, the course titled **Drama and Indian Writing in English II** is introduced as core papers replacing World Literature in Translation and Authors in Focus respectively.
12. For **English Phonetics** in Semester V, all the chapters from the textbook should be included. And it is mentioned by the experts to add more number of reference books for each course.
13. Topics related to AI, CHATGPT, ALGORITHM can be included in **Digital Literacy and Concepts** course in Semester V.
14. In Semester VI, **SEC- Functional English** is replaced with **Soft Skills and Ethics**.

15. In the course **Translation : Theory and Practice**, the redistribution of units is suggested
16. In Semester VI, the course English for Technical Communication, in Unit V- some topics to be added related to writing.
17. The title of the Core Course- **Introduction to Theory and Literary Criticism** is suggested to be changed to Introduction to Literary Criticism in Semester VI, it is recommended by the experts to change the textbook and to include the chapters from Prasad's *Introduction to Literary Criticism*.
The syllabus for the same is framed and approved. The above resolutions are approved.

The Chairman welcomed the gathering and appraised the purpose of the meeting.

Agenda: Review and Approval of the curriculum for the academic year 2026-2027.

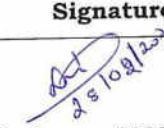

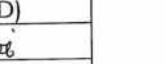

A revision of course structure and the existing syllabus for the Batch 2025-2026 onwards is framed according to the model curriculum prescribed by the TANSCH. The PG Syllabus was submitted to the BoS members. The Courses and contents of each unit were discussed. After thorough considerations, the experts suggested to change certain portion in the syllabus. The changes are as follows,

1. In Semester I, it is suggested to add one more fiction in each unit of **British Fiction**, and in **British Drama**, it is proposed to remove the subtitles in each units.
2. In Semester I, **CC-Shakespeare Studies**, it is mentioned to remove the subtitles of units and to add one more play in Unit II, III and IV.
3. In Semester I, **Elective – Indian Classical Literatures**, it is suggested to add *Thirukural Chapter 1- The Praise of God* in Unit I.
4. In Semester I, it is recommended to remove the **SEC- Technology for Teaching English** and to include a new course titled **Cultural Studies**.
5. In Semester II, a new course titled **British Prose** is added as CC IV.
6. It is put forwarded by the University Nominee to add Elaine Showalter's essay in the **CC - Twentieth Century Literary Criticism**.
7. In Semester II, **World Classics in Translation**, add more world classical 9works in each unit. It is also proposed to add *One Hundred Years of Solitude* in Unit V.
8. In Semester III, a new course titled **Literature: An Interdisciplinary approach** was introduced as CC- VII replacing **Post-Colonial Literature and Culture**.
9. In Semester III, The experts recommended to remove **Canadian Studies** and to include **Women's Writing in English** into Elective course and to add **New Literatures in English** into Core Course.
10. In Semester III, **EC- Ethics** Unit II, a separate work should be included.
11. In Semester III, The title of IDSEC- **English for Careers** is suggested by the experts to change as there is a course in UG with the same title.
12. In Semester IV, it is proposed by the experts to add a new course **Introduction to Literary Theory** as CC-XI.
13. The University Nominee proposed to include the complete NTA-NET syllabus for the AEC- **English Literature for NET and SET**, and a reference book by Vineet Pandey under Pearson publication was suggested to be added.

The syllabus for the same is framed and approved.

The above resolutions are approved.
