	1.Details of Programmes 2. Students Strength 3.Results for November 2025 & April 2026 4. IQAC Report 5. Admission Process 6. Scholarship Details 7. Report of Hostel 8. Library Facility 9. Physical Education Department 10. NCC Report 11. University Rank Holders List 12. Prizes / Awards / Medals

Resolution : Approved.

Recommendations of External Experts:

Medical Practitioner:

Dr. R. Mukilan, Medical Practitioner:

- Emphasized that students should sleep for a minimum of seven hours each day and limit mobile usage at night to reduce the risk of various diseases and maintain good health.
- He has recommended that the first hour of classes begin with five minutes of breathing exercises every day. This practice is expected to enhance students' memory, concentration, mental well-being and overall learning ability

University Nominees:

Computer Science:

- The practical course "Data Structures and Algorithms (IDE Tools)" should be renamed "Data Structures and Algorithms using IDE Tools."
- In Semester IV, light-weight papers may be included instead of core papers. This will enable PG students to focus more effectively on their project work.

Zoology:

- IKS topics may be included in Unit VI with a note stating "For Internal Assessment Only."

English:

- The course "Women's Writing in English" should be retained.
- The course "New Literatures in English" should be renamed "Post-Colonial Literature."

Physics:

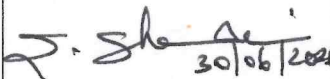

- The course "Microprocessor 8085 and Microcontroller 8051" should be updated by replacing it with a course on Latest Processors.

General Suggestions:

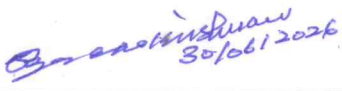

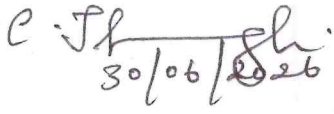

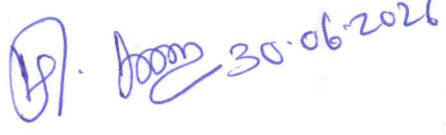

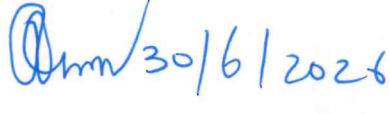

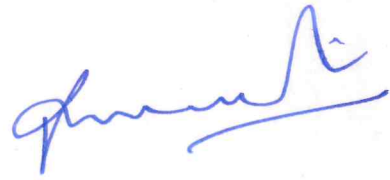

- MOOC courses offered through SWAYAM for PG students shall be streamlined and coordinated by the CCCD Cell in association with the NPTEL Local Chapter Coordinator to facilitate enrolment, monitor progress, and ensure successful course completion.
- Appropriate action shall be taken against the examiners who are responsible for the significant variation between the original valuation and the revaluation marks, as per the applicable College valuation regulations.

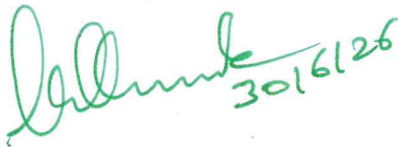

Suggestions from Student representatives:

- Additional certificate courses may be offered in addition to the regular curriculum to enhance students' knowledge and employability.
- Coaching classes for NET/SET examinations are requested to help students prepare for competitive and eligibility examinations.
- Students should be made aware of the details mentioned in their grade sheets/mark statements, particularly the concepts of credits, CGPA, and non-CGPA grading, to enable them to understand their academic performance accurately.
